U-BAHN

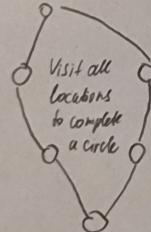

Create a race
route and publish it

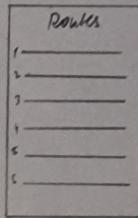

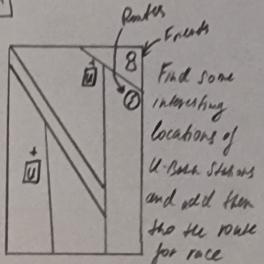

Compete
with friends
and lead the
scoreboard

Your time 04:59
- 00:30 Some locations have a boost!

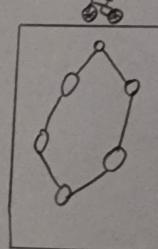

03d

You can publish your route to the public server for everyone, or you can add a time for racing and invite your friends

(Important: only bicycles are available)

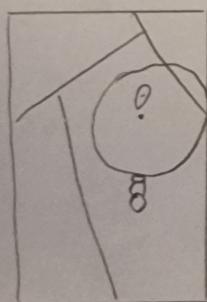

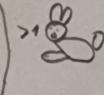

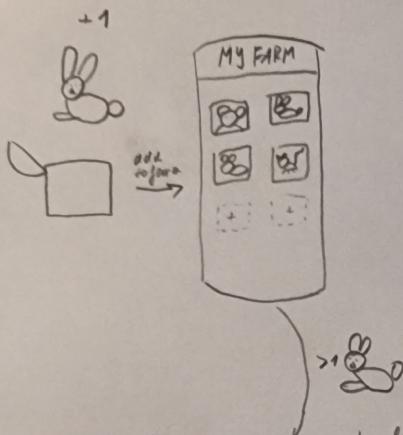

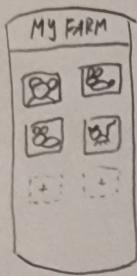

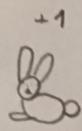

To complete the race you should ride through the checkpoints (area 30m)

If your total time less the lowest you will be on top of scoreboard of last round.

SCOREBOARD
1. ~ you
2. ~ 2nd
3. ~

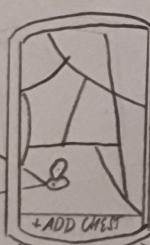

Every player has a total time
Some points has a probability of bonuses for you/other players (like bonus +30sec)

04

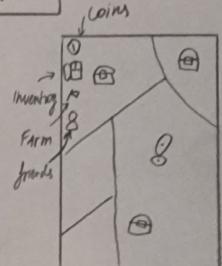

+100

000 00 000

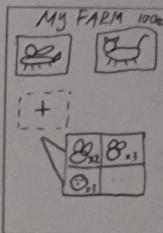

Buy 1000
TRADE personally with friends

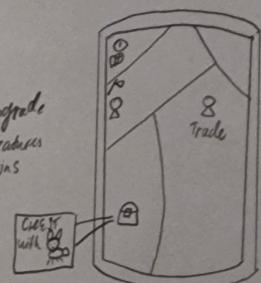

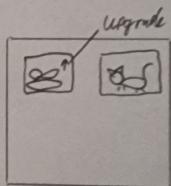

04d

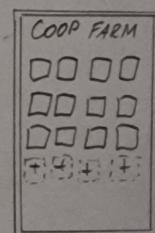

Chest will be randomly generated on the map so you can add new creatures in there

You can place new creatures on your farm

If you have duplicates you can leave them on your location or trade personally with friends

If your farm is full you can combine your farm with friends to grow up faster
